OUR HISTORY

The Mountain to Sound Chapter is proud to represent the critical care, progressive care and acute care nurses in the greater Seattle-Tacoma-Olympia area.

We are the result of a merger of the Puget Sound and the Mt. Rainier Chapters. Through a collaborative effort, our chapters officially joined together in July 2007 to become the "Mountain to Sound Chapter."

We conduct numerous events each year, with many opportunities for personal and professional growth. We always welcome your comments and suggestions.

We are excited to have you as a member!
